LEWIS C. GEHRING, ESQR.

LEWIS C. GEHRING, ESQR.,

Banker—Merchant—Collector.

Collectors were pained to receive the sad news of Mr. Gehring's sudden death on April 12th last. He had appeared to be in excellent health and had attended a meeting of the Trustees of the Prudential Savings Bank only the night before. He was stricken by heart trouble while on his way from his home to his office in Third Avenue, Manhattan. Mr. Gehring was born June 24th, 1852, at Rahway, N. J. He married Miss Mary Elizabeth O'Connell. About thirty years ago he removed to Brooklyn, N. Y. where he became prominent in business. At the time of his death he was treasurer and charter member of the Farmers Feed Company, of the American Nut and Seed Oil Corporation, and of the Maritime Milling and Trading Corporation. He was also Treasurer of the Prudential Savings Bank, of Brooklyn. Mr. Gehring leaves his widow, a son, William H. Gehring, Esqr. four daughters and three brothers. Mr. Gehring has been missed among the coin collectors. The last time we saw him we believe was at Mr. Elder's complimentary dinner to collectors in February last, at Engel's Chop-House. For many years he had the greatest interest in collecting and took much pleasure out of gathering together one of the finest collections of gold coins in this city. He never forgot or neglected his pet hobby and was a familiar figure at the various coin sales both here and in other cities. The writer numbered him his friends and valued him extremely and it is an unfortunate thing for collecting to see such an ardent numismatist die, for not always does another with the same enthusiasm rise to take his place. We feel that in Mr. Gehring's death coin-collecting has lost one of its best followers.

THOMAS L. ELDER.

CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 50 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

Auction sales are **strictly for cash**. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described

A charge of 5% will be made to cover packing and shipping, but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.
